Australian Levels Program (ALP)

The ALP or 'Nationals' Program is designed for dedicated gymnasts who wish to pursue a competitive gymnastics career. Men's Artistic Gymnastics (MAG) consists of six apparatus: Floor, Pommel, Rings, Vault, Parallel-Bars and High-Bar. Throughout their training, the gymnasts will learn body shapes, flexibility, strength, co-ordination, spatial awareness, power, balance and concentration. Gymnasts will also train individual skills, skill combinations and towards competition season, full routines on all six apparatus.

Selection into the WVGC MAG program is based on observations by our Senior Coaches and Program Coordinator who are looking for gymnasts who are self-driven, work hard and demonstrate that they can be competitive gymnasts. Entry into the program and into each subsequent level is by invitation only, on a year-by-year basis, with a limited number of positions available.

The safety and well-being of every member will always be our priority at WVGC. Any issues that arise will be communicated about and addressed in a timely manner. We reserve the right to remove any participant from the Program if their behavior is unsafe.

Woden Valley Gymnastics Club

Core Values:

Club Purpose:

To enable people to challenge and improve themselves both physically and mentally so that they can gain the skills and confidence to excel in all parts of life.

Core Beliefs:

At WVGC we believe that physical literacy is fundamental to building a happy and healthy life. By challenging one's physical and mental abilities, in a safe, supportive, inclusive, and nurturing environment, we can build strong, resilient, and adaptable people of any age to be valuable members of our community.

As a member of our Club and a **representative of the MAG Program**, you will be expected to:

- Be a **team** member
- Be **positive**
- Be **respectful**
- Try your **best**
- Be **kind**
- **Listen** to each other
- Work **hard**
- **Encourage** each other
- Remember, we are **all** important

Expectations of Woden Valley Gymnastics Club MAG Gymnasts:

It is expected that all WVGC MAG Gymnasts, with the support of their Parents/Guardians, do their best to:

- Arrive prepared and ready to begin on time
- Attend all training sessions scheduled by the coaching team
- Advise the MAG Program Coordinator with as much notice as possible if your child will be absent
 - Communicate morning training absences by 6pm the evening prior
- Attend all clinics and competitions when offered
- Accept that training dates, times and coaches may be subject to change
- Bring a positive attitude and good work ethic to all sessions
- Strive to improve their own personal best in aspects of training, strength, and skill
- Advise the Program Coordinator if training needs to be shortened or modified due to injury
- Meet the athlete code of behaviour outlined in Gymnastics Australia's Member Protection Policy

All WVGC Policies and link to Gymnastics Australia Policies can be found on our website under "About Us > Policies".

Discipline Policy:

WVGC MAG gymnasts are role models for other members of our Club. As such, we always expect a high standard of behaviour from the gymnasts.

In the event of a gymnast not complying with expectations of behaviour the following steps will be followed:

1. Remind the gymnast of the behaviour that is expected.
2. If behaviour continues, tell the gymnast the behaviour that is not meeting the expectations and ask them to rectify this.
3. If the behaviour continues, gymnast will be asked to cease training for a short period of time to reflect on their behaviour, they will then be asked to return to training, meeting behaviour expectations.
4. If behaviour continues, Parent/Guardian will be called, and gymnast will be sent home from training. Before returning to training after not meeting behaviour expectations, a meeting will be held with the Program Coordinator to discuss behaviour expectations.

WVGC has **zero tolerance for bullying**. Any reports of bullying will be taken seriously and dealt with immediately. The Member Protection Policy can be found on the WVGC website.

Mobile Phones:

It is important that gymnasts are focused on their training whilst at training. As such, the use of mobile phones is not permitted during training. A gymnast may be contacted by a parent through the WVGC Gym Floor phone on 0413 118 908 and, if required, a gymnast may contact their parent/caregiver on this phone and parent/caregivers can text this phone to relay urgent messages such as late to pick up.

Viewing of Training Sessions:

WVGC has an open door policy on viewing training sessions. You are welcome to observe training from the seated area outside the Club Administration Office, but we do ask that contact with coaches/gymnasts directly does not happen during training time. If you need to speak to your child, please do so via the Floor Supervisor (identified by their navy-blue shirt with red paneling and SUPERVISOR on the back).

Please only enter the training area or Coach's office if invited to do so by a staff member.

Always respect the rights of all members and always remain courteous. The club will not tolerate negative behaviour towards any member, employee, or volunteer.

www.wodenvalleygymnastics.net

Progressing Through the Levels:

WVGC will use the guidelines and requirements set out by Gymnastics Australia to decide on an appropriate level for each gymnast to compete each season. Safety, confidence, training habits and attitudes, and current and future skill development is taken into consideration.

Every gymnast will have their own strengths and weaknesses, and all will progress at different rates. It is important that you do not compare your child to other gymnasts. Please respect the knowledge and experience of the coaching staff regarding your gymnast's progress.

"We all grow at different rates, and that's okay."

If the MAG Program is no longer the optimal program to support your child to achieve their potential, there are many other Gymsport pathways at WVGC for them to continue with the sport of Gymnastics.

If you wish to discuss your child's progress with their Coach or MAG Program Coordinator, please make an appointment with the MAG Program Coordinator via email: mag@wodenvalleymag.com.au

Training Commitments:

Gymnastics is a physically demanding sport and can be unsafe if a gymnast is not conditioned correctly. As such, Gymnasts in the WVGC MAG program gymnasts train year-round, including School Holidays, except for the 2-week shut down period over Christmas; the only official break throughout the year.

Gymnasts in the MAG program do not receive make-up lessons if they miss classes.

Public Holidays – there will be **no** training unless otherwise notified.

It is a requirement that gymnasts attend every session the week leading into a competition - this is to ensure the safety of the gymnast. In a situation where a gymnast has another significant commitment, this must be discussed with the MAG Program Coordinator and a safety plan/measure must be put in place prior to the week before competition.

If you plan to go away, and are seeking a reduction in fees, you must provide **a request in writing via email** to the MAG Program Coordinator. You are eligible for a credit if the holiday is a **minimum of 2 consecutive weeks** and the request is provided in writing **prior** to departure.

Extended absences from training due to travel may result in a gymnast being deemed unprepared or unfit to compete by MAG Coaches and the MAG Program Coordinator.

Annual Squad Changes:

Squad changes occur after the years' competition season has concluded at the end of Term 3. Gymnasts will be invited to continue in their current squad, move into a new squad, or cease training in the MAG Program. WVGC has several 'Gymsport pathways' that may be more suitable, and we encourage families to explore these if the MAG program is no longer optimal for your child.

Invitation to continue or to move into a new squad will be dependent on gymnasts meeting the training expectations above. **Previous participation in the MAG Program does not guarantee a gymnast a position the following season.**

If your child no longer wishes to participate in the MAG Program, please advise the Program Coordinator via email ASAP. Please be aware that reinstatement into the MAG Program is not guaranteed if your child changes their mind as we have children on our waiting lists.

Training Attire/ Equipment:

Gymnasts must bring the following items to all training sessions:

- Training Singlet or T-Shirt/Gym Top
- Shorts
- Socks
- Longs for Level 2 and above (for Pommel training)
- Clearly labelled water bottle
- Grips for High Bar (Level 3 and above)
- Grips for Rings (Level 4 and above)
- Loops (Level 3 and above)
- A healthy snack to training for sessions longer than 2 hours (strictly nut free).
- Weather appropriate clothing and footwear to be worn before and after training

Hair that reaches the shoulder needs to be tied up in a neat high ponytail. If the hair covers the eyes in handstand, it must also be tucked under or in a bun.

No jewelry except for one pair of studs or sleepers, or a medical alert bracelet. All other jewelry must be removed including watches. The Club takes **no responsibility** for the secure storage of these items. It is the responsibility of the athlete to ensure their items are secure.

Gymnasts will require:

- High Bar Grips (Level 3 and above) **replaced periodically
- Ring Grips (Level 4 and above) **replaced periodically
- Loops (Level 3 and above) **replaced annually
- 0.5kg ankle weights (Level 4 and above)

The above items must be clearly labelled and will be stored at the Club in the gymnasts draw in the weights room. Consumable items must be replaced upon Coach/ Program Coordinator request to preserve the safety of the gymnast.

Gymnast Evaluations:

It is important that gymnast progress is monitored to ensure safety, guide planning and goal setting, and provide feedback to families.

Skill evaluations will take place each term to track gymnasts progress on the skills at their current level and in the levels ahead they are working towards. Skills will be evaluated on a five-point scale:

- 5 stars - completed - your gymnast has mastered and moved on from this skill
- 4 stars - mastered - your gymnast can perform this skill with little or no technical errors
- 3 stars - achieved - your gymnast can perform this skill but with some technical errors
- 2 stars - developing - your gymnast is working towards this skill but had many technical errors or only at the drill development stage
- 1 star - not applicable - this is not a skill your gymnast is currently working towards

Skill evaluations are accessible via your iClass Pro App, and emails will be sent to families when new evaluations have been uploaded and are ready to view.

Club Uniform:

Club uniform is compulsory and is to be worn at all competitions and other specified events.

Level 3-10 Gymnasts require full club uniform.

Level 1-2 Gymnasts require training singlet, competition leotard, competition shorts, competition longs (Level 2) and polo shirt.

Uniform Item List:

- Tracksuit – Jacket and Pants
- Polo shirt
- WGC Navy Backpack

- Competition Leotard: • Level 1-5 Digs Leotard
 • Level 6+ GK Leotard

- Competition Shorts
- Competition Longs
- Two Pairs of Plain White Socks

- Training Singlet: • Development - Level 3 Red WGC Singlet
 • Level 4+ Blue WGC Singlet

Gymnasts are required to wear running shoes and white socks as part of their competition uniform.

If gymnasts hair covers their eyes their hair must be neatly pulled back off the face and secured tightly.

Leotard Care – Digs Sportswear:

Washing Instructions:

- Garments must be washed separately
- Turn garment inside out when washing
- Handwash in large volume of cold water with mild liquid detergent
- Rinse immediately – Do not allow garment to soak.
- Use a plastic hanger to air dry

Do NOT...

- Use fabric softeners
- Dry clean
- Iron

Competition/ Clinic Requirements:

Gymnasts will be invited to compete in a series of competitions each year, which are usually held on Saturdays or Sundays. Some of these competitions require interstate travel. Entry details will be communicated with all eligible entrants as they become available from the relevant State Association. A calendar will be sent out at the start of each year containing major competitions, however additional events may be added throughout the year.

Competition entries will be sent out through the Club's online booking system or added to your account for compulsory ACT-based events. Late entries cannot be accepted. After entries are submitted, refunds or cancellations are only considered with Medical Certificate and must be requested via email to the MAG Program Coordinator no later than the competition date.

These competitions are a way of motivating gymnasts by providing purpose to training and an opportunity to expose the girls to a larger pool of athletes. The focus of competition is not on winning, but on self-improvement and performance to the best of each gymnast's ability.

Gymnasts are expected to participate in all events that are offered to them. Competition experience is an important part of your gymnast's development in the WVGC MAG program. Failure to attend competitions/clinics may be considered a lack of commitment to the program and result in a reduced likelihood of being invited to continue in the program in future seasons.

Gymnasts at WVGC train in Squads, the level they are ready to compete will be determined prior to the competition entry date. It will be at the discretion of the Squad's Head Coach and the Program Coordinator, if they are ready to compete at the level they are working towards. If they are not ready to compete this safely, they may be asked to compete at their previous level.

State Team Selection:

Gymnasts in Levels 7-10 can nominate for selection for the ACT Team to travel to represent the ACT at Australian Championships.

For qualification onto an ACT Team at any level, Gymnasts will be required to meet all the selection criteria requirements laid out by Gymnastics ACT.

Accounts

Our Financial Terms of Service are as follows:

All Parents/ Guardians **must have access to their iClass Pro account via the iClass Pro app.**

Please download the app (organisation name is 'Woden Valley Gymnastics Club'), select 'forgot email' option to reset password to gain access to your account.

Fees are processed via your iClass Pro account on the 5th of each month. We will send your statement advising of the amount to be deducted on the 1st of the month, please reply to the email from your monthly statement if you have any questions, if you would like your account reviewed, or if you would like to request a due date extension.

Fees are billed monthly in advance according to your child's allocated training times and are based on a sliding scale; the hourly rate decreases as the hours of training increase. It is the parent/ guardian's responsibility to ensure payments are up to date. All declined payments will receive a notification email and you can log into your iClass Pro App to process payment and bring your account back up to date.

All fees are processed via your iClass Pro account. We recommend storing a bank account as it attracts an 80c processing fee, a credit card will have a processing fee of 2% of total fees, which can add up quickly. Any monies processed in error will be refunded as soon as we are made aware. All refund requests must be made in writing via email, accompanied by your BSB and Account Number and will be made via bank transfer.

If fees are outstanding for more than one month without upfront communication from the family, the gymnasts place in a squad may go into review and their position in the squad may be cancelled.

Please note that a gymnasts re-invitation into a squad will also depend if our Financial Terms of Service have been met over the previous year.

If you are experiencing financial difficulty, please reach out before the monthly due date on the 5th and we will work towards a solution that works for all parties. We just ask for upfront communication if you cannot meet a payment deadline.

Please note that yearly registration and insurance is processed in February, and equipment levy in May. These are subject to change each year and specific amounts will be communicated in December with the following year's fee information.

Application for credit for medical leave must have supporting documentation from a medical professional and submitted in writing to the Program Coordinator.

Contacts:

Please note that our staff work varying hours - on and off site - and contact via email is the quickest way to hear back from us. Please email us to arrange a phone call if you would prefer to speak with someone.
