

Woden Valley Gymnastics Club

Terms of Service 2025

General:

- Please keep your children at home when they are unwell - failure to do so puts other Gymnasts and Coaches at risk.
- Only Gymnasts participating in their class and Coaches are permitted onto the gym floor. The exceptions are:
 - caregivers of KinderGymmers accompanying their young children;
 - an Enable (program for an individual with additional needs) parent/guardian if their gymnast needs them;
 - or if a Coach/Supervisor invites a parent/guardian onto the floor.
- Where possible, inform any absences via your iClass Pro app as ahead of time as possible to allow others to access the space for their own makeup lessons.
- Inform the Floor Supervisor, or Coach, of any injuries which may affect the Gymnast's ability to fully participate prior to the child's class starting.
- Encourage your child to enjoy their classes. Emphasis should always be placed on the benefits of participation and the satisfaction gained from personal achievement.
- Be aware that all Gymnasts progress at different rates and always respect the knowledge of our Coaches regarding your child's progress.
- Always respect the rights of, and remain courteous to, ALL persons in our Club regardless of their age, sex or gender identity, ability or disability, cultural background, or religion. Please see our Member Protection Policy for more details.

Pick up/ drop off:

- Be punctual to arrive for classes and to collect children at the end of class.
- Always come up to the building entrance to collect children to help them navigate the busy carpark safely.
- Text the gym floor phone if running late (0413 118 908). We will always supervise children until they are collected by their caregiver.
- The loading bay is for pick up and drop off only. Cars must not be left parked there for more than a few minutes.
- Children should not be dropped off early and left unattended, as the Club cannot be responsible for children until their class start time.
- Inform the Floor Supervisor or Coach if your child will be leaving the venue with someone other than their immediate guardian.

Bathroom and Changeroom Access at WVGC.

Woden Valley Gymnastics Club has 3 main bathroom/changing areas:

- Female bathroom and changeroom
- Male bathroom and changeroom
- Gender neutral/disabled access bathroom (located to the left, before entering the male bathroom).

WVGC abides by ACT Government laws in relation to inclusive practices, including bathroom/changeroom access.

At WVGC we adopt inclusive practices and welcome all members and guests to access the bathroom that they feel comfortable using for the gender they identify as.

A parent/guardian/carer has the right to assist their child or an adult person with a disability who requires assistance, to change/use the toilet as needed. We do ask that if the parent/guardian/carer who is providing assistance identifies as the opposite gender to the person being assisted, that they access the gender neutral bathroom that is available or the that aligns with the parent/guardian/carers gender identity.

CCTV Policy

Woden Valley Gymnastics has CCTV cameras in public areas inside and outside of our facility. The purpose of these cameras is for the ongoing safety and security of our members.

These are installed at the front of the building, the foyer, administration/coach offices, the gym floor, and back storeroom.

Our toilets do not have cameras installed, however there is surveillance of who enters and exits the toilets.

Official signage is installed at the entry points of the building to notify members of their presence.

All footage is overwritten every 2-4 weeks depending on storage limits (we do not keep an archive of footage).

There are no screens or monitors accessible for any staff or Club Members to view. There is a monitor in the main administration office that is switched off and requires a password should it need to be accessed.

Senior Managers are the only staff that have access to the footage - the General Manager, GymSports Director & Administration Manager.

Footage will only be reviewed if there is a complaint regarding conduct of Club member/s, an integrity complaint made against a staff member, or if ACT Police request footage as part of an investigation.
